Ljubljana Marathon Run - European Students Run

Participants with disabilities

- The inclusion of people with disabilities into sport and Ljubljana Marathon Run event is important mission of the Timing Ljubljana.
- Already in past editions of Ljubljana Marathon Run we integrated people with disabilities, Special Olympics athletes and some other specific target groups.
- Associate partner of the Runners4All project is also Special Olympics Austria. Together with Special Olympics Slovenia they will participate in the event.
- Students with disabilities can participate in the European Students Run and are warmly invited.

Participation in the 29th NLB Ljubljana Marathon Run and in the European Students Run for disabled

Saturday, October 18th: participation in a special inclusion event

- Everybody welcome
- Special focus to Special Olympics athletes since we aim to have participants from Austria, Slovenia...

Sunday, October 19th: European Students Run

- Students with disabilities can participate
- Not in the competitive way. We cannot compete equally. There might be an electric wheelchair and it would mean an advantage

- Students with disabilities can participate in the training courses and you can invite them to join your preparatory activities.
- Also disabled athletes need to learn something about nutrition, motivation, sport medicine.
- For participation of disabled and in case of Special Olympics athletes we especially recommend using the form of „unified sport participation“. This means that a person with a disability performs together with other participants. Parents, friends, volunteers and other runners can be invited to support the participation.
